**WARRIOR**

The first part of the paper discusses the importance of the research and the objectives of the study. It then proceeds to a literature review, followed by a description of the methodology used. The results of the study are presented in the next section, followed by a discussion of the findings and their implications. The paper concludes with a summary of the main points and a list of references.

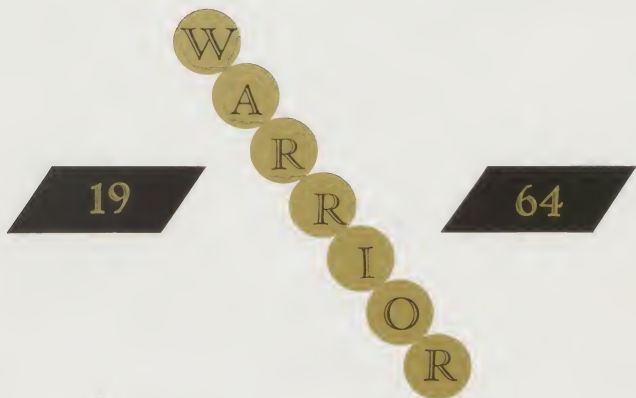

The research was conducted in a laboratory setting, using a series of experiments to measure the effects of different factors on the system. The results show that the system is highly sensitive to changes in the input parameters, and that the output is highly variable. This suggests that the system is not very robust, and that it may be difficult to control in a practical setting.

The findings of the study have several implications. First, they suggest that the system is not very reliable, and that it may be difficult to use in a practical setting. Second, they suggest that the system is highly sensitive to changes in the input parameters, and that it may be difficult to control. Finally, they suggest that the system is highly variable, and that it may be difficult to predict its behavior.

The paper concludes with a summary of the main points and a list of references. The main points are that the system is highly sensitive to changes in the input parameters, that the output is highly variable, and that the system is not very robust. The references are listed at the end of the paper.

## Board of Education

The Board of Education is a group of distinguished men elected by the voters of the Granite City School District. The Board presides over the many problems of properly operating and maintaining the city schools. Its decisions are made after consultation with Dr. Kaiser, the Superintendent of Schools, and Mr. Dailey, the Board Attorney.

SEATED: Left to Right, George Stidham, (Secretary), Ralph Fricker (President), Dr. Harold Kaiser (Superintendent of Schools), Monroe Worthen (Treasurer). STANDING: Daniel Linder, Ronald Dillard, Robert Spengler, Ralph Buske.

## Superintendent of Schools

Doctor Harold M. Kaiser, Superintendent of Granite City Community Unit #9 School District for the past five years, is responsible for the day to day management of our system. He is the principal administrator of the district, who assists the school board in planning and financing school needs.

Coach Morrison talking with two co-captains Ron Yates and Bob Pyle.

"Yea, vote for me."

"I'm telling mommy."

"Will the real Mr. Universe please  
step forward!"

"All the better to see you  
with, my dear."

"Umm! Me Tarzan! You  
Jane!"

"Here I come ready or not?"

"And then I grabbed him like this, and threw him over my shoulder, Mom?"

"Honest! I'm not tickling him!"

"Come on, Just a little bit closer!"

"All right, boys! Let's really run today!"

"What do you mean one way fields?"

"Faster . . . faster . . . faster . . ."

"Better luck next time"

"Who moved the basket?"

"I can't quite reach it!"

"Take it back, I don't want it either!"

"Let me teach you how to dribble in 10 easy lessons!"

"We may have something here this time!"

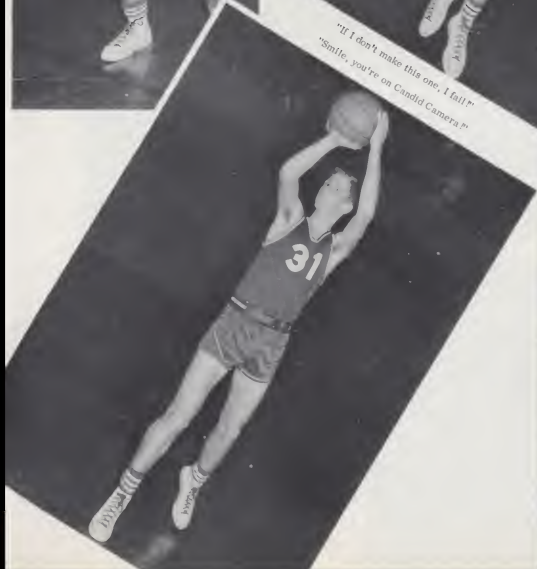

Score \_\_\_\_\_  
 "Okay, can I close my mouth now?"

"If I don't make this one, I fail!"  
 "Smile, you're on Candid Camera!"

"See my feet aren't dirty!"

"Hey! I just remembered, Coach said not to look down!"

Coach Fedora

Coach Sullivan, Coach Manuel, Coach Harmon

Coach Burkhart, Coach Schmitt

Mr. Rosenthal, Rick Reutebuch, Coach Sullivan

"Hup one, two, three! Hup one, two, three!"

"Whistle while you sleep."

"I wanna hold your ha-a-and!"

"Take it away Mr. Strupkins."

"Even Igor Stravinsky couldn't do better than this."

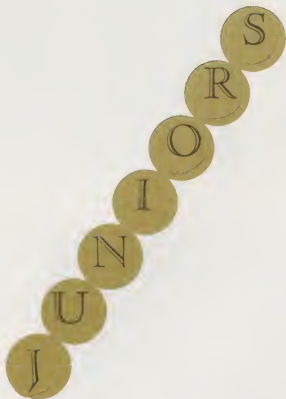

"Three cheers for the peanut gallery!"

*"A poor life this, if full  
of care, we have no  
time to stand and stare."*

## Football

Our 1963 Warrior football team, under the capable leadership of head coach, Jim Morrison, lived up to their new name of "Fighting Warriors" (formerly the "Happy Warriors") by ending the season with a fine record of 5-3-1.

Coach Morrison is looking forward to an even better season next year. Assisting Coach Morrison this year, were line coaches Stan Wojcik and Larry Burkhart, and backfield coach, Gordon Galbreath.

Team captains this year were seniors, Ron Yates, and Bob Pyle. Other graduating seniors were Larry Anderson, Gary Gan, Joe Hiles, John Love, Jack McKeachan, Jim Nash, Jerry Nelson, Jim Parker, Eric Robertson, Mike Rousseau, Randy Stegelmeyer, Randy Thompson, Rick Reutebuch, Ted Wasylak and Norm Wilfong.

## Cross-Country

With a group of tough juniors and seniors who were willing to go all out to secure a place on the team this year, Coach Dick Harmon and our Warrior runners had a fine season. Led by seniors Gary Lomax, Pat Kincaid, Pat Harris and junior, John Bull, the pathmakers finished the season in good shape in all meets and tournaments. Graduating seniors are Gary Lomax, Pat Kincaid, and Pat Harris.

## Baseball

The 1963 Warrior Baseball team, coached by Mr. Joe "Smokey" Fedora, enjoyed a very successful season on the diamond, posting 25 wins, 8 losses, and 1 tie. The season began with the happy prospect of having quality boys from last year's team, and the season ended with the team taking 1st in District, Sectional, and Regional tournaments.

This year's returning lettermen are seniors, Rich Lee, Ron Yates, Joe Fanning, Bob Karandjeff, Marty Le Vault, and Pat Harris. The only sopho-

mores lettering this year were Joe Hauptman and Larry Dillard.

Graduating seniors are Terry Kofahl, Charlie Papp, Glen Hoffman, Terry French, Jim Cavanaugh, Perry Tayon, Clinton Van Zant (Mgr.), and Bob Ketner.

In addition, Coach Fedora put together a Warrior baseball team which won second in State, giving it one of the most successful seasons in the history of Granite High.

## Band

The Granite City Senior High School band is one of the most active organizations in our school. The band, which is directed by Mr. Louis Meek, does much to promote school spirit. The band plays at many school functions, including the football and basketball games, homecoming, May Day, Pep rallies and other school activities.

Each year members of the band who have met certain requirements are eligible to take a trip to some part of the United States. Last year the band enjoyed a trip to Florida, and this year it is looking forward to a trip to Houston, Texas.

The students of Granite High would like to thank Mr. Meek and the band for all they do for our school and the community.

## Debate

The debate team of Granite High is composed of students from the speech department who excel in public speaking and debate technique. The team, under the guidance of Miss Mary Blackburn, has successfully competed in tournaments all over the state. The varsity team, composed of Wayne Hancock

and Bernard Helman, Affirmative, and Barry Lewis and Virgil Malmberg, Negative, has won 40 out of 48 debates this season. At Agustanna College, the debaters competed in a tournament attended by fifty-four schools from Iowa and Illinois and tied for first place, but lost the championship round.

## Yearbook

The 1964 Warrior was designed to aid each student to recall through pictures the important events which occurred during the school year. The staff, pictured on these pages, has worked hard to provide you with an illustrated record of your school days. Under the supervision of Mr. Robert Johnson, the staff begins in June and works until March to produce the best yearbook possible. We feel that every student of Granite High will some day desire to reflect upon the happy days of his high school career.

## Journalism

Beginning journalism attempts to teach communication through the written word. Trying to report or interpret an event in the clearest and most concise method possible perplexes journalism students for many weeks. The techniques of writing features, news, editorials, and columns, interviewing, and copyreading are taught in the beginning class.

By reading and studying major city news-

papers and highly rated high school publications, students learn to recognize good journalism principles and acquire ideas for improving the High World.

Practical experience in journalism is gained when the cub staff puts out an edition of the High World. The class also studies the fate of today's press and the methods and purpose of modern advertising.

## Senior

*So we close another chapter of Granite High's history by being the largest 7th grade class to enter Central. Junior "HI-Y" parties and girls wearing bells in their hair were the rage. Jim and Judy went steady for a day until Ricky cut in....Most social affairs were "Junior High only." Central had the greatest basketball team ever (14-1) thanks to the Kahoks. One of the most exciting days in 1958 was the announcing of Janet and Ron as "All American Girl and Boy," Sigma Gamma was the first seventh grade class to start a TRI-HI-Y.*

## Remember When...

*Our freshman football team went undefeated and our Cheerleaders kept their spirits high. Kills were the fad. Mr. Miller's Biology class was the greatest. Brenda and Jim had gone together for 2 whole months!!! Mr. Kessell's speech class put on the first production of "Who's Feuding Now." Ginger lost someone's ring. We also had the pleasure of hearing President Kennedy speak. We finally invaded the big high school,*

## Class

.....And found ourselves with "Senior High Privileges." ...Student Council, activity tickets and many school clubs. Ken and Ricky led our Sophomore Class as Presidents. The band took their annual trip to New Orleans. The Sophomore Root Beer turned out to be a great success. Jeanie and Mike portrayed the leading characters in "Date Bait." Everybody went to Elaine's Halloween Party. "Yea for" signs, and the castle. Jim led the Junior class; he was in charge of the Junior Prom and the boat excursion. We beat Collinsville 66-64. We won 1st place in class skits. The flag committee chose our class colors as blue and white.

## "Class of '64"

We assumed our place at the top of the ladder as "Seniors." Ron and Bob led the football team to a great season by acting as co-captains. Pat led the whole student body as Student Body President. Nona and Jim reigned as Harvest Queen and King. Norm was crowned Mr. Touchdown! The Contentials made their debut at our school hootenanny. Pam was crowned Snow Princess. Joe was chosen all-conference. The music department put on a fine operetta entitled "Lucky Day." Class couples were: Carol & Larry, Jim & Sharon, Pam & Eric, Walt & Cathy, Rich & Claire. Getting in a convertible and riding around in other towns was the craze. The Spring Formal and May Day turned out beautiful. After Baccalaureate and Graduation we said good-bye to many memory filled years at Granite High!!!

## In Memoriam

MR. ARTHUR HABEKOST  
1905-1963

TEACHER

Mr. Arthur W. Habekost, a teacher of social studies at Granite City Senior High School for the past thirty-three years, this summer succumbed to an illness which struck him during the spring of 1963. Mr. Habekost had taught American History for the past several years, but he had also been an instructor of economics and world history.

A life-long resident of Granite City, he graduated from high school here in 1925, after lettering in track, football, baseball, and basketball. He was also president of the Illioli Literary Society for two years. Mr. Habekost set a Granite City High School track record in the 100 yard dash of 9.9, which still stands. He graduated from Millikin University in 1930, where he was a member of the football and baseball teams.

Mr. Habekost was an avid sportsman, founding the Illinois Federation of Sportsmen's Clubs, of which he was a past president. He was a Republican precinct and central committeeman, and a member of Hope Lutheran Church. He is sadly missed by those who knew him.

"A teacher affects eternity:  
He can never tell  
where his influence stops."

## A Note From The Editor

Seventeen years ago, we, the seniors of Granite High, inherited a legacy of post-war uncertainty. We were born on the threshold of the new frontier of space-age technology. For twelve years we have been preparing ourselves for the tremendous responsibilities which will soon be ours. The culmination of this first period of education is at hand. Perhaps this last year will be considered the most influential period of our high school days as we reflect on those days in the future. It has been the desire of the yearbook staff to provide you with a record of the achievements and disappointments we all experienced during our senior year. We trust that this chronicle of events will become increasingly more valuable as the years progress.

This year was essentially the same as any high school year; we studied, had fun, experienced sad moments of trial and error as a part of the learning process. There were brief moments of glory for some of us in sports, musical, and dramatic productions. We all shared the hopeless reality of examinations and deadlines. These impressions we hoped to preserve in the pages of this book. As this senior class graduates, another will take its place. We wish the best of luck to the juniors and sophomores who will be succeeding us. We feel sure they will carry on the fine traditions of Granite High. Many of us who will graduate this year will spend the next four years at college. Others will make their bid for a secure place in our technological society. To all the seniors, I wish the best of luck for a successful future.
